

## Hand Held Label Guns

### Fixa Label Applicator

No other conventional type label applicators ensure proper and exact labelling like the Fixa Applicator series.

- Strong, rigid construction with pressed metal dispenser system for high performance
- Unique edge-sensor adjusts label strokes automatically for less setting up time
- Speedy, accurate labelling up to 100mm width
- Single stroke trigger action
- Handles most shaped labels

Model	Length/Stroke (mm)	Width (mm)	Max. Reel Diameter (mm)
FIX - 30	20 - 60	20 - 30	100
FIX - 60	20 - 60	25 - 60	100
FIX - 100	20 - 60	55 - 100	100

### Scooter Label Applicator
